iSi Foamers & Soda Siphon

Whippers are perfect for making “foamed” desserts, appetizers, sauces and purees. The soda siphon will carbonate your beverages.

“Thermo Whip” PLUS Whipped Cream Makers

A multifunctional whipper with the added benefit of a thermally insulated bottle. For preparing hot and cold foams, finger foods, sauces, creamy soups, as well as whipped cream and other desserts. A patented system to keep cold items cold for up to 8 hours and hot items warm for up to 3 hours without additional equipment such as refrigerators or bain-maries.

Stainless steel canister and dispenser. Will not rust. Three different decorator tips included. Double-walled vacuum insulation protects hands from temperature extremes. Made in Austria. 1 pint size. 12" high.

B934 \$119.40

“Profi” Whipped Cream Maker

Perfect for making cold “foamed” desserts, appetizers and purees. Brushed aluminum container and cap with stainless steel release mechanism. Includes 3 interchangeable decorator tips. Top of the line restaurant equipment. Made in Austria.

B938 \$88.50

Quart size
B939 \$98.60

Accessory for Whipped Cream Makers

New!

Stainless Steel Injector Needles

Injector needles are a perfect complement to the creative kitchen, suitable for exclusive use with the iSi Thermo Whip or iSi Gourmet Whip. Made of 100% 18/10 stainless steel, they are appropriate for numerous applications, such as:

- Filling sweet and savory foods and hors d'oeuvres (tortellini, pomme soufflé, cream puffs, etc.)
- Injecting meat, poultry, etc. for a tender, juicy flavor.
- Special decoration of plates.

3 mm and 5 mm diameter. 2 protective sheaths prevent injury during storage and when not in use.

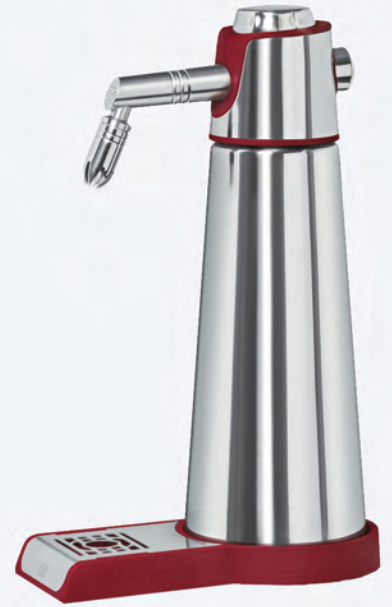

B945 \$20.50

Thermo Xpress Whip by ISI

Double-walled, stainless steel vacuum-insulated bottle. Innovative riser tube design allows for dispensing with push-button ease. Keeps contents cold up to eight hours without refrigeration.

Keeps contents warm up to three hours without a bain marie. Includes non-slip drip tray, one metal decorator tip, a charger holder, a dust cap, and a cleaning brush. Dishwasher safe. NSF certified and HACCP compliant. 1 quart capacity.

B990 \$253.80
